
Babylon Pro 9.0.1.5 [Portable] Download !EXCLUSIVE! Pc

Babylon Pro 9.0.1.5 [Portable] download pc Babylon Pro is a dictionary that allows you to translate words from one language to another. Working with the dictionary is very simple: after clicking on the word of interest, a window with its translation appears. In addition to translating words, the program includes English thematic and explanatory dictionaries, and also has the functions of converting currencies for the current date and transferring measures from one system to another. English-Russian-English and other dictionaries can be downloaded additionally from the developer's site.
